About Me

Innovative Front-End Web Developer with expertise in website design, adaptation, and maintenance. Dedicated to leveraging my extensive knowledge and experience in front-end web development to enhance the online presence of ABC Inc.

Professional Experience

Instructor | GOMYCODE-Tunisia
As an Instructor, I teach web development, including HTML, CSS, JavaScript and DOM. I introduced students to Git and GitHub for collaboration and version control. My role focused on equipping students with the skills needed for successful web development.
-**Summer Academy** : 06/2023-08/2023 with 100% rate of 39 students.
-**Currently Part Time**: 09/2023
